

[Clique Solar](#)®'s NTPC solar cooling project at Greater Noida has been adjudged as [The Best Solar Project](#)® Award at Intersolar India 2012. Intersolar organized the Intersolar Project Award for the first time in India. The company had installed India®'s first and probably world®'s largest [Solar Heating Ventilation and Cooling \(HVAC\)](#) system with [Storage](#)® at the NTPC Energy Technology Research Alliance in May this year.

Article1

Swaminarayan Akshardham Mandir in New Delhi recently inaugurated their new steam-based cooking system in the mandir premises. This also marks the debut of ARUN® 100 in the market. The opening was blessed by Pujya Ishwarcharan Swamiji on behalf of Param Pujya Pramukh Swami Maharaj (inspirer and creator of Swaminarayan Akshardham) and in launched in the presence of MNRE officials lead by MNRE joint secretary, Dr. Tarun Kapoor. ARUN®100 solar thermal system will provide enough steam to cook an equivalent of 3500-4000 meals (consisting of rice, vegetables and dal) in the Mandir daily. This pollution-free and environment-friendly system is in harmony with the environmental ethos and activities of BAPS Swaminarayan Sanstha and Swaminarayan Akshardham.
